16. Ecola is a one-year, intensive Bible study and discipleship program designed to enable those who attend to see real growth, knowledge, and life change in a relatively short period of time. The most important factor in the success of a student at Ecola is a readiness to attend. In this case, readiness would be indicated by a sincere desire to grow as a Christian, to study God's Word, and to apply it to daily living. Students need a heart that is open to spiritual truth and a willingness to live, study, and fellowship in a Christian community, and to be governed by its rules.

With this in view, in your opinion, how ready is the applicant to attend Ecola?

Perfect Candidate       Mostly There       Somewhat Ready       Probably Not Ready Yet
